Boys & Girls Clubs

Board Member Spotlight Meet Vicki Reim! She has served as a Board Member for six years. Vicki has held positions on the Celebrity Golf Classic as Co-chair and on the Marketing committee. Prior to joining the Board she volunteered for a few years helping with the Golf Classic. She knew that she wanted to be a part of the organization because of the huge impact it has on the members who attend the club. "The Boys & Girls Club is a consistently positive place for the kids; a place where they can have fun, learn important skills, be encouraged, find help with homework-there are so many great influences and influencers. The amazing staff sets the solid foundation for each of the kids". Her absolute favorite thing about the club is the variety of activities available for the kids. She feels the club does a great job of helping create well rounded individuals. Vick received her BS in Industrial Distribution, at Texas A&M University, WHOOP! She grew up in Houston, but the Bryan/College Station area has been her home for over 30 years.

Club Member Spotlight Meet Tiasia! She is nine years old and attends Mitchell Elementary School. Her favorite thing to do at the Club is to play pool with her friends. The Boys & Girls Clubs mean a lot to her and she loves everyone at the Club. Tiasia's most favorite memory at the Club was at this years Fall Festival. She had a great time and can not wait to attend next year! When she grows up, her dream is to join the Navy!

Goals for Graduation This program was developed for ages 6 to 15 introducing them to the concept of academic goal setting. The members set achievable "Know-I-Can" goals, more challenging "Think-I-Can" goals and yearly "Believe-I-Can" goals, and then create their own action plans. The program provides for recognition of members' achievements at every step of their journey.
